

### **Thierry Volle**

President – Europe, Middle East, Africa,  
and Emerging Markets

Thierry is the head for EMEA and Emerging Markets at Lupin. With over 25 years of management experience he has a remarkable track record of launching pharmaceutical and specialty products, driving geographical expansion, and leading people.

Prior to joining Lupin, Thierry worked for Novartis, Wyeth, and Vifor Pharma. He has also been associated with European pharmaceutical associations such as vips Switzerland and EFPIA.

Currently, he is also a board member of the European Generics Industry Association Medicines of Europe.

Thierry has a business diploma from Institut Supérieur de Gestion, a Master in Computer Science from Ecole Centrale, Paris, and an advanced study diploma in biotechnologies from EPFL.
